

**Brummi**

**, Frederick**

**and the Rabbit**

**“Let,s go rabbit hunting, Brummi!”**

**„There they are!”**

**„Run, rabbit, run!”**

**„We chased him away.**

**We are heros!”**

**„Oh, what’s that? He comes back...”**

**and has upgraded his defence!”**

„Sorry there must be something of a misunderstanding... just walking...  
and we were leaving just now anyway....“

Let's have a nice  
dandelion to our victory!“

Dear Margret an Rodney!

Thanks for the nice time in your beautiful place!
